

## ROOM5

Home work sheet. Week 3 Term 1

Due date: Wednesday the 24<sup>th</sup> of February

### What's on:

- Swimming sports week 5.
- Thursday 25<sup>th</sup> Mr. Whiting out for Zone softball.
- P.A.T testing week 5.
- Thursday the 25<sup>th</sup> learning direction conferences.

### Reading

It is Riverhead school policy that students in years 5 and 6 complete at least 10 minutes of reading every night. The reading material is student choice, however the material must be at or around their range. If material is difficult for the child parents could you assist? I also am able to help. Students in room 5 will be given a reading log, this is to be completed and returned to school every Wednesday. I would strongly suggest that the students choose a novel from home. If you do not have any suitable books at home a trip to the local library to see Tina may prove successful as she has a wealth of knowledge on everything to do with children's books.

### Maths

10 minutes of Basic facts each night needs to be completed. As well as this there is a maths work sheet that needs to be completed by Wednesday. This worksheet covers our strand maths, which is measurement this term.

### Topic

There will be no topic Homework for week 3.

Have a Great Weekend Everyone!!! Mr. Whiting.

I have seen the homework sheet. Signed \_\_\_\_\_.
