

Room 3 News

Welcome back to a new term. We have an action packed term, with lots of fun and exciting activities planned.

PE

For PE this term we are working with large balls, and will be learning skills for Football, Rugby, Netball and Basketball.

Assembly

Assembly is now on Wednesday at 1:45. Come and join us.

Homework

Homework goes home every Tuesday and is due every Monday.

Maori

We are learning about Maori games and sharing them with others.

English

This term we are focusing on Myths and Legends. Students will be learning different myths and legends and building up the skills to write a new myth themselves.

Maths

This term our major focus in numeracy is division and multiplication. For strand maths we will be covering, time and money. At home you can help your children by getting them to go shopping with you and asking them questions about the analogue clock.

Spelling

In week 7 we will be joining in on the spellathon. Students will come home with the words and should learn them as part of their spelling homework for the first 7 weeks.

Topic

Our topic this term is "Get Fizzing" Our major focus will be technology, where we will be looking at designing a brief and creating a product. Our minor focus will be science, We will be looking at kitchen chemistry and how substances react with one another.

Book week

During Week 4 we are having book week with a theme of sci-fi and fantasy. There will be displays of books in the hall and we will be having a book parade. Book week is an opportunity to buy great books for your children and to have the opportunity to donate books to our new library.

The Arts

This term we will be looking at Abstract Artists, including Jackson Pollack. For Dance this term we will be learning about the sasa and performing our own dance to the class.
